**Webster promotes Bill McCague to Safety & Quality Assurance Environmental Compliance Manager/Human Resource & Workforce Development Recruiter**

**TIFFIN, Ohio** - Webster Industries, Inc., an industry leader in conveyor chain, is pleased to announce that Bill McCague has accepted a new position within Webster.

McCague accepted the role as Safety & Quality Assurance Environmental Compliance Manager/Human Resource & Workforce Development Recruiter. In this new position, he will be responsible for overseeing Safety and Compliance with OSHA, Worker's Compensation and The United States Environmental Protection Agency. He will also continue with his role of recruitment and workforce development.

McCague has worked at Webster for nearly 2 years. First, as the Human Resource intern and then following graduation from Tiffin University with his Bachelor's degree in Business Management and Human Resource Management, he became the Human Resource Specialist. This new role is one that McCague is motivated and excited to embrace.

"I am looking forward to getting to know the operations side of the business more. I am looking forward to getting to know the operations side of the business. There is a great number of operations and process that go into making our product. The more I know, the greater I will be able to contribute to Webster in the future," said McCague.

**About Webster Industries, Inc.**

“Webster Industries, Inc., headquartered in Tiffin, Ohio, is an innovative leader in engineered class chains, sprockets, vibrating conveyors and malleable iron castings. Since its start in 1876, Webster has evolved into a vertically integrated chain manufacturer that serves a variety of industries. The company now employs around 300 people nationwide and has facilities in Ohio, Mississippi and Oregon. Throughout its 140 years in business, Webster’s focus has consistently been on American materials, American labor and American pride. A strong concentration on customer service, based on seamless vertical integration ensures that Webster’s clients receive the highest quality products and service in the industry.”
