### **Webster promotes Krista Scherger to Supply Chain Planner & Business Systems**

#### **Manager**

**TIFFIN, Ohio** - Webster Industries, Inc., an industry leader in conveyor chain, is pleased to announce that Krista Scherger has been promoted to the dual role of Supply Chain Planner & Business Systems Manager.

Scherger has been an employee of Webster's for 7 years. Throughout her career, she has assumed various roles and responsibilities in the Supply Chain department. In addition to her planning position at Webster, the business systems role will allow her to help Webster succeed in new ways.

Her promotion primarily entails providing support on the continuation of enhancements to Webster's ERP system, Epicor. Scherger's vast knowledge and understanding of Webster's processes has come from her years of planning and purchasing. These experiences will bring her large success in this new role.

“I am very excited and thankful for this opportunity. I am looking forward to working closely with my fellow Epicor team members and the Information Technology department to continue the improvements on the operations side of Epicor,” said Scherger.

Scherger will be attending Tiffin University in the summer of 2018 to receive her Bachelor of Business Administration with a concentration in Supply Chain Management.

**About Webster Industries, Inc.**

“Webster Industries, Inc., headquartered in Tiffin, Ohio, is an innovative leader in engineered class chains, sprockets, vibrating conveyors and malleable iron castings. Since its start in 1876, Webster has evolved into a vertically integrated chain manufacturer that serves a variety of industries. The company now employs around 300 people nationwide and has facilities in Ohio, Mississippi and Oregon. Throughout its 140 years in business, Webster’s focus has consistently been on American materials, American labor and American pride. A strong concentration on customer service, based on seamless vertical integration ensures that Webster’s clients receive the highest quality products and service in the industry.”
