

FCA US Affiliate Rewards Discount

Save Big on Your Next Vehicle!

Employees of our valued partner companies pay 1% below dealer invoice when buying or leasing eligible new Chrysler, Dodge, Jeep®, Ram, FIAT® and Alfa Romeo Brand vehicles. To see the Affiliate Rewards Preferred Price for a specific vehicle, ask at the dealership to see the vehicle invoice, which lists the Preferred Price as “PP.” To ensure you are receiving the Preferred Price, the dealership will complete an Affiliate Rewards Pricing & Acknowledgement form when you purchase or lease the vehicle. This form itemizes the vehicle price and any additional eligible incentives for your vehicle. The bottom of the form contains a space for your Control Number and signature. The dealership will give you a copy of the form once it is completed.
