The Acquisition is to be effected by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (the "**Scheme**"), full details of which were sent, or made available, to Renold Shareholders in the circular dated 7 July 2025 (the "**Scheme Document**").

- the requisite majority of Renold Shareholders voted in favour of the Preference Stock Repayment Resolution, to cancel the Renold Preference Stock and repay £1.07 per unit of Renold Preference Stock to the holders of such Renold Preference Stock, at the General Meeting.

Further details of the resolutions passed are set out in the Notices of the Court Meeting and General Meeting contained in the Scheme Document.

Additional Information for US Investors

The Acquisition relates to the securities of an English company by means of a scheme of arrangement provided for under the laws of England and Wales.

A transaction effected by means of a scheme of arrangement is not subject to shareholder vote, proxy solicitation or tender offer rules under the US Exchange Act or other requirements of US law. Instead, the Scheme will be subject to the disclosure requirements and practices applicable in the UK to schemes of arrangement, which differ from the disclosure requirements and practices of the US under the US Exchange Act. The financial information included in the Scheme Document (or, if the Acquisition is to be implemented by way of a Takeover Offer, the documents to be sent to Renold Shareholders which will contain the terms and conditions of such Takeover Offer) has been or will have been prepared in accordance with accounting standards applicable in the UK and thus may not be comparable to the financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. Generally accepted accounting

principles in the US differ in significant respects from accounting standard applications in the United Kingdom.

If Bidco were to elect to implement the Acquisition by means of a Takeover Offer and determined to extend the Takeover Offer into the US, such Takeover Offer would be made in compliance with all applicable US laws and regulations, including to the extent applicable Section 14(e) of the US Exchange Act and Regulation 14E thereunder, and in accordance with the Takeover Code. Such a takeover would be made in the United States by Bidco and no one else.

The receipt of cash pursuant to the Acquisition by a US holder as consideration for the transfer of its Scheme Shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other, tax laws. Each Renold Shareholder is urged to consult his or her independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to him or her. Accordingly, the Acquisition would be subject to disclosure and other procedural requirements, including with respect to withdrawal rights, offer timetable, settlement procedures and timing of payments that are different from those applicable under US domestic tender offer procedures and law

It may be difficult for US holders to enforce their rights and claims arising out of the US federal securities laws, since Renold is located in a non-US jurisdiction, and some or all of the Renold Directors may be residents of a non-US jurisdiction. US holders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

In accordance with normal UK practice and consistent with Rule 14e-5(b) under the US Exchange Act, Bidco, certain affiliated companies and the nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in Renold outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and comply with applicable law, including to the extent applicable the US Exchange Act. Any information about such purchases or arrangements to purchase will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

In accordance with the Takeover Code, normal United Kingdom market practice and Rule 14e-5(b) of the US Exchange Act, Peel Hunt and its affiliates will continue to act as an exempt principal trader in Renold securities on the London Stock Exchange. These purchases and activities by exempt principal traders which are required to be made public in the United Kingdom pursuant to the Takeover Code will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

Neither the US Securities and Exchange Commission, nor any US state securities commission or any securities commission of other jurisdictions, has approved or disapproved the Acquisition, passed judgement upon the fairness or the merits of the Acquisition, or passed judgement upon the adequacy or accuracy of this document. Any representation to the contrary may be a criminal offence in the United States.

Shareholders subject to Sanctions

To the extent that any person with any direct or indirect interest in Scheme Shares is or becomes the subject of Sanctions, the transfer of their Scheme Shares is restricted and such shares will not form part of, and will not be transferred pursuant to, the Acquisition and/or the Scheme. Nor will they receive

any Cash Consideration. For so long as such person remains the subject of Sanctions, unless a requisite licence has been obtained by Bidco all rights attaching to their Scheme Shares will cease to be exercisable. Such restrictions will also apply in respect of Scheme Shares held by any person acting as nominee, custodian or agent for or on behalf of a person who is or becomes the subject of Sanctions.

These statements are based on assumptions and assessments made by Renold, and/or Bidco, in light of their experience and their perception of historical trends, current conditions, future developments and other factors they believe appropriate. No profit forecasts or estimates or Quantified Financial Benefits Statements

No statement in this announcement is intended as a profit forecast, profit estimate or quantified benefits statement for any period and no statement in this announcement should be interpreted to mean that earnings or earnings per share for Bidco and/or Renold, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for Bidco and/or Renold, as appropriate.

Dealing and Opening Position Disclosure Requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first

identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Capitalised terms are defined in the Takeover Code, which can also be found on the Panel's website. If you are in any doubt as to whether or not you are required to make a disclosure under Rule 8, you should consult the Panel.
